re: USA v. Alberto Tavarez-Chavier
#25cr 77(AS)

The request is GRANTED. The
Clerk of Court is directed to
terminate the motion at Dkt. 25.

SO ORDERED.

Arun Subramanian, U.S.D.J.
Dated: July 23, 2025

Dear Judge Subramanian;

Tavarez was released from detention on or about 1-29-2025 [Dkt #2] on a \$100,000 PRB signed by himself and cosigned by 3 others; travel restricted to the SDNY and the EDNY; PTS Supervision; Home Detention with GPS monitoring.

Tavarez now requests a modification of his Bond terms to permit him to leave his home to find employment, and then to work. PTS by Officer Ashley Cosme consents to this modification application [attached] and the Government by AUSA Gunmaste defers to the judgment of PTS concerning the application.

Thank you.

Respectfully,

B A Seidler

Hello Counsel,

As discussed via telephone, we consent to the defendant being permitted to work while under home detention. You do not need to indicate any specific hours in your petition as this is not a curfew request. You can simply indicate that you are requesting that your client be permitted to seek and obtain employment while under home detention with electronic monitoring. Thank you.

Good Afternoon;

Defendant Tavarez will request a modification of his Bond conditions to permit him to seek employment, and to work. The Govt is deferring to PTS on the issue, so I write to learn the position of PTS. Perhaps if Tavarez can also get some time for exercise it will help his physical and mental state. As an initial matter I would request his being able to leave the home during the hours of 7:00 AM - 7:30 PM.

Thank you.
